WHAT WE'RE GOLFING FOR

Please, take a moment and consider helping some
very worthy students by joining us for our 5th
annual golf tournament. Many of you played in
our tournament and supported our cause last year.

You heard about the students who attend
Woodlawn Community Academy and met some of
them on the golf course as they worked in the
school's snack bar. W.C.A. is a very unique private
school that serves a diverse population of regular
and special education students in the Clearwater
area. Over half of our students have special needs.

Woodlawn Community Academy has been serving
children with diverse needs for the past 19 years.
This has enabled many students to one day make
meaningful contributions to their communities. All
students at WCA receive individualized, highly
structured academic services provided by
experienced regular and special education
teachers and therapists who genuinely care
about their success.

We would love for you to join us in meeting the
needs of this diverse population.

Please know that with any donation that you make,
you are actively making a difference in the lives of
the children within your community. Woodlawn
Community Academy is a 501©3, charitable
organization, therefore, your donation is tax
deductible. Would you consider helping us to
achieve our goals by making a donation,
sponsoring a hole during the tournament or
providing us with items to be sold at the silent
auction that takes place the day of the tournament?

Check out our website below to learn more about our
school and the tournament.
